Each year we serve more than 2,000 adults and positively impact the lives of hundreds of children through our community-based, high school-based, and jail-based Positive Parenting... *Plus!*, Nurturing Families, Teen Impact, programs, as well as our CoParenting, Restoring Connections, *First 3!* seminars, and our Organizational Resilience work creating trauma informed cultures with Davidson County Juvenile Court, area correctional facilities, government agencies, and nonprofits. We're at the forefront of ACE (Adverse Childhood Experiences/Adverse Community Environments) awareness and action... and enhance our evidence-based, evidence-informed curricula through the latest research that helps break cycles of trauma in families. **Together with you, we're CHANGE AGENTS for CHILDREN in our community!!**

With Castronovo back with Journey, drummer **STEVE FERRONE** (with **TOM PETTY & THE HEARTBREAKERS** for over 20yrs) has joined the band.
